ABOUT OUR FACTORY

Established in 2010, Fusion Knitwear has built a strong reputation as a reliable manufacturer and exporter of high-quality knitted garments. Located in the industrial hub of Narayanganj, Bangladesh, we operate in a spacious 15,300 sq. ft. facility equipped with modern machinery.

We specialize in a wide range of knitwear, including Polyester Jerseys, Performance Sportswear, T-shirts, Polo Shirts, and Hoodies. While we focus on manufacturing excellence, we work closely with our clients to bring their specific designs and Tech Packs to life with 100% accuracy. Our commitment to "Quality over Quantity" ensures that every garment meets international standards.

PROPRIETOR'S MESSAGE

M M Mizanur Rahman (Tanvir)

Proprietor

Welcome to Fusion Knitwear. Since our inception in 2010, our journey has been defined by a relentless pursuit of quality and customer satisfaction. We understand that in the fast-paced global fashion industry, precision and reliability are key.

We have recently expanded our expertise into High-Performance Polyester Sportswear and Jerseys, catering to the growing demand for technical apparel. At Fusion Knitwear, we don't just manufacture clothes; we ensure trust. To maintain this, we have implemented a strict Quality Assurance SOP, which includes detailed digital photography of every finished product before packing, ensuring total transparency for our global buyers.

We look forward to forging long-term partnerships with brands worldwide by delivering excellence in every stitch.

M M Mizanur Rahman (Tanvir)

Proprietor, Fusion Knitwear

VISION & MISSION

OUR VISION

To become a leading global garment manufacturer recognized for innovation in knitwear and sportswear, while maintaining ethical and sustainable production practices.

OUR MISSION

To deliver premium quality garments that exceed buyer expectations.

To specialize in technical fabrics like Polyester and Microfiber for the global sports market.

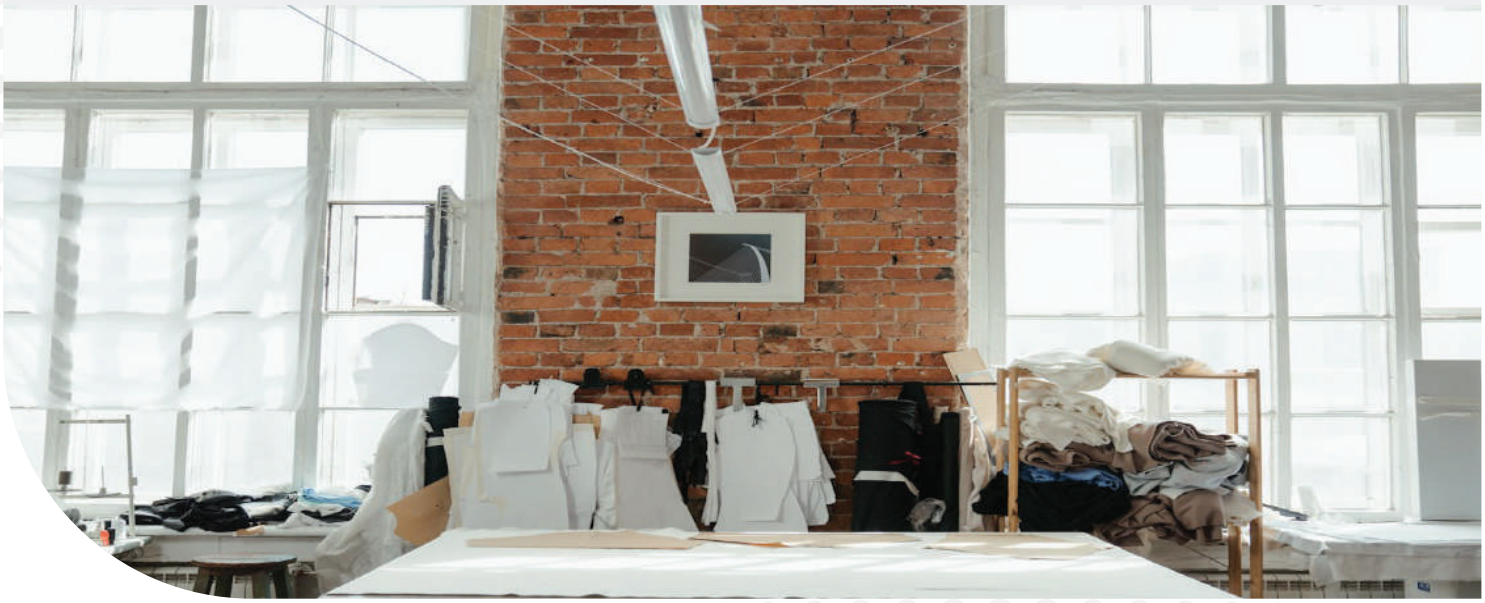

To ensure 100% shipment accuracy through our advanced "Photo-Documentation" quality control process.

To provide competitive pricing by optimizing our in-house production efficiency.
